Carrier Objective

Passionate and adaptable software developer with a strong foundation in web technologies, dedicated to creating innovative solutions. Eager to bring my skills and enthusiasm to a dynamic team for impactful, results-driven contributions.

Skills

- HTML | CSS | Tailwind
- JavaScript | Python | C++ | PHP
- React.js | Node.js | Express.js
- MongoDB | MySQL
- Git | Linux
- Algorithm | Competitive Programming

Experience

- **Junior Web Developer, Shunno Software** Feb 2021 - Jul 2021
Shunno Software is a local startup in Rajshahi that provides software solutions for ISP owners. As one of the first few hires, my job responsibilities included planning, designing and coding the product. My main contributions were:
 - Implemented features for their *Bayanno Pay* product.
 - Integrated SSLCommerz payment system for client payments.
 - Implemented internal customer service tools.
- **Freelance Software Developer** Jan 2022 – Sep 2023
 - Finished more than 50+ projects.
 - Provided service included: Web Application Development, Blockchain, Web Scraping, C++ and Algorithms

Projects

- **Scrape Shopify** (Type: Chrome extension) [Chrome Web Store](#)
Key Features
 - Easily extract data from any Shopify site into CSV files with just a few clicks
 - Collect product details, prices, and reviews effortlessly, streamlining scraping

Education

- **B.Sc. in Computer Science and Engineering** Jan 2020 – Jan 2024
Varendra University

Achievements

- **Champion (VU), Regional Programming Contest, Virtual Tech Carnival** Dec 2020
Department of CSE, Varendra University
- **Ranked #85 (Team: VU_code_haters)** Aug 2021
2020 ICPC Asia Dhaka Regional Contest
- **Champion (Team: vu_code_haters), IUPC** Sep 2021
Department of CSE, Varendra University
- **1st Runner-up (Team: Decentralized Brains), BUET CSE Fest 2022 - Hackathon (Web3)** Aug 2022
Department of CSE, BUET

Extra-Curricular Activities

- Served as the **Executive Member** of the Varendra University Programming Club

Language Skills

- Bangla: Native proficiency
- English: Professional working proficiency
